NEC3 Documents Price List and Order Form

(See separate Price List and Order Form for NEC4 documents)

Updated 25th October 2017

We are the sole agents for NEC documents in southern Africa

THE "STORE" HEADING OF OUR WEB PAGE WWW.ECS.CO.ZA PROVIDES FULL DETAILS OF EACH NEC3 DOCUMENT. YOU CAN GENERATE AN ORDER FROM WHICH WE WILL SEND YOU A TAX INVOICE. THIS MAY BE A QUICKER ALTERNATIVE TO COMPLETING THE ORDER FORM ON PAGE 2.

If you prefer **not** to use the web page "Store" facility, attached is an Order Form and Price List for NEC3 documents for completion and e mail or fax to us as instructed.

Prices of NEC documents may change without prior notice due to suppliers' increases and exchange rate variations. Prices of previous editions have not changed

The payment and collection arrangements are stated on the Order Form.

Please note our terms of business are strictly payment before collection or despatch

NOTES:

1. The Institution of Civil Engineers (UK), the owner of the NEC system, has published "April 2013" versions of the full range of NEC3 contracts and their guidance notes, all branded as "NEC3 Evolved". They have also introduced a new addition to the NEC3 family of contracts, the *NEC3 Professional Services Short Contract (2013)*, as well as some new documents designed to assist users put contracts together and administer them using standard forms developed by the ICE.

These new documents are all included in the April 2013 Box Set containing 39 documents.

2. The attached Price List comprises the following:
 - Prices for NEC3 documents in hard copy format published April 2013 under the branding "NEC3 Evolved" and other NEC related handbooks.
 - Prices for NEC3 documents published between June 2005 and December 2009 in hard copy format.
3. NEC documents published between November 1995 and July 2001 are no longer available.
4. NEC documents in digital format can only be obtained through an annual licence directly from the NEC Office on www.neccontract.com

MS Word templates for drafting and administering all NEC3 2013 Edition contracts are available from Engineering Contract Strategies. Templates include Agreements & Contract Data, Pricing Data, Scope of Work, and associated CIDB tender and award documents complying with SANS 10403.

Please contact us for a quotation.

Andrew Baird, the owner of ECS

- is acknowledged in each NEC document as one of the original designers of the NEC system and served as a member of the NEC drafting Panel from 1993 to 2010
- has over 20 years of hands-on experience in the preparation, tendering, award and administration of NEC based contracts, in South Africa and other parts of the world, and
- is able to provide training at any level from 2 day introduction seminars to one day advanced workshops on procedures within any of the contracts.

SERVICES PROVIDED BY ENGINEERING CONTRACT STRATEGIES (ECS):

Assistance relating to contractual arrangements & strategies for all types of procurement, and project execution.

Provision of "model documents" for development and administration of any of the NEC family of contracts and subcontracts.

Advice, facilitation or preparation of tender and contract documents for main and subcontracts in the engineering and construction industry, including professional services.

Advisory services during contract administration for dispute avoidance and independent assessments.

Contract performance audits and post project reviews.

Adjudication and dispute resolution.

Training courses on a staged basis for a clear progression of knowledge, understanding and practical application of any of the NEC contracts.
